

**6/18/24**

**Honorable Judge Cecelia G. Morris**

**Dear honorable judge Morris. I am writing to you today in regards to case # 20-23073 for Debtor Douglas O'Connell with whom I jointly own the property at 4 Barger St. Cortlandt Manor NY 10567 since 2008. Douglas O'Connell is my former fiancé and the father of our son Jake O'Connell.**

**It is my understanding that at the hearing on 6/20/ 2024 you will be ruling on the sale of the above mentioned property as well as the distribution of sale proceeds. I did not want to sell my home, which is basically being sold out from under me, as I was unable to qualify for a mortgage due to the extent of arrears caused by Douglas O'Connell. I have suffered greatly due to Douglas not only pretending to keep the mortgage current at 4 Barger St., but also by him taking money from me on a monthly basis and not applying it to the mortgage payments.**

**At this stage of my life and as a single mother, looking towards the future, I am not objecting to the sale of my home, however I am requesting that under the jurisdiction of the bankruptcy court your honor should rule that I receive 50% of the proceeds of the real property sale. Please consider the above statements as truthful and as good reason to award me the 50% of the sale proceeds that I deserve.**

**Respectfully yours,**

**Kristie M. Plocinski**
